About us

We believe the world is ready for something new in mobile technology and we are in the process of further developing an innovative, personal, compelling user experience. As the home of Nokia phones we are committed to writing and forging the next chapter for this iconic brand. To do that, we've joined forces with visionary industry leaders such as ZEISS, Qualcomm and Google so we can share our ingenuity, experience and expertise to find innovative, new ways to connect. We have an amazing heritage to call on as we work on developing a future that stretches beyond our current horizons. To find out more about us visit us here - www.hmdglobal.com
